Sustainability

Onset Technologies, LLC is an organization that is more responsive to our client's needs, fostering a committed and connected future, that is adaptive and technologically driven. We will continue to review and improve our sustainability efforts across our business, to ensure that our programs are as effective and efficient as possible in delivering value to the communities we support.

- **Demonstrating Good Governance**
We commit to our values and policies. This is reflected in the way we manage our business and interact with our clients and our people.
- **Developing Our People**
Our values of Safety, Teamwork, Respect, and Integrity reflect the collective behaviors, values, expectations, and attitudes of the company. They determine how we relate to our clients, both internal and external, and our role as a responsible corporate citizen. Our people are at the heart of our success, culture, and enduring client relationships.
- **Diversity and Inclusion**
Our commitment toward diversity in the workplace is driven by a strong conviction that genuine inclusion will deliver greater productivity, creativity, and diversity from deeper pools of talent and through fairer processes for all. Embracing diversity of thought, background and experience help us develop imaginative and responsive solutions for our clients that create lasting community benefit.
- **Integrity Management**
Onset Technologies regards good corporate-governance as a critical element in our business practices and culture. We are committed to ethical business behavior. This includes both internal conducts, and our engagement with clients, and the community.
